Henry. I stopped by the firehouse to discuss a date for this meeting just now but you had left for the day. Pick a day the week of December 16th for the meeting up at the firehouse. Likely you would include the primary stakeholders: Fire, police DPW, Mayor, county. Call me to discuss further or propose a date and time.

Furthermore, Shereen is working on setting up the public meeting at the school in late January. She will likely touch base with you.

Thanks

Dave
